512.119 Veteran Farmer or Rancher Administrative Review Letter

[Date]

[Name and address of participant]

Dear [participant name]:

According to our records, you certified that you are a veteran farmer or rancher on your [insert contract year] [insert program name (program abbrev.)] application for the subject contract. This status made you eligible for higher priority in either the ranking or funding process

Your certification has been randomly selected for review. In order to verify your status, we are asking that you provide documentation that confirms your eligibility as a veteran farmer or rancher.

Within 30 days, please provide a copy of your DD Form 214 (Report of Separation) and one Internal Revenue Service (IRS) Form 1040 from the last 10 years showing that you did not file an IRS Form 1040, Schedule F.

Failure to provide the requested information will result in the loss of your eligibility in [program abbrev]. If the information you provide fails to support your eligibility, your contract will be determined ineligible and contract termination and recovery of cost may be applied.

Please provide the requested information no later than [insert date due]. This is simply a request for you to provide the required information and is not an adverse decision. If necessary, you will be notified of an ineligibility determination and given appeal rights if an adverse decision results from your failure to provide the needed documentations.

Thank you for your assistance in this matter. If you have any questions, please let me know.

Respectfully,
